

## **SWORWIB Request for Qualification for Electrical Services**

Southwest Ohio Region Workforce Investment Board is looking for an electrical repair company to select as our preferred vendor for work at Ohio Means Jobs, 1916 Central Pkwy, Cincinnati, Ohio 45214. Contracts are planned for a 3+1+1 renewal schedule.

Limited electrical repairs are performed by our in-house maintenance staff. However, some repairs are outside the abilities of our staff. Repairs may include, but are not limited to, new electrical outlet runs, repair / replace garage lights (lift is not required), add / replace breakers in existing breaker panel.

We are requesting a fixed hourly rate and a material mark-up percentage to assist in making our selection of a preferred vendor with percentage increase for a 5-year total contract term. Please also include any truck charge or supply charge associated with each call. Only the selected bidder will be contacted.

Proposals should be sent to:
