

COVID-19 Recovery Training Program

Have you been laid off or furloughed because of the COVID-19 pandemic? UC is offering a free bootcamp training to learn entry-level skills for a career in technology.

Career Learning Pathways

Tech Fundamentals and Career Preparation

This bootcamp course is designed to help you begin exploring a career in IT. The course uses the CompTIA ITF+ curriculum. This course and the ITF+ certification are designed as the starting point for a career in IT support.
