

ADDENDUM #1

This Addendum provides a **correction** to the 2.2.1 Program Components section in the RFP:

B. ADDRESS THE FOLLOWING QUESTIONS OR ELEMENTS FOR THE OPERATION OF SERVICES for ADULTS and DISLOCATED WORKERS:

9. Assisting Customers

Describe how WIOA services will assist customers in locating and retaining employment. Estimate the number of WIOA customers who will find employment at or above ~~\$12.00~~ \$16.00 an hour in the first twelve (12) months of the contract. Describe how you will interact with and refer youth to and from the One-Stop Center, particularly with the WIOA focus on out-of-school youth and the State of Ohio combining of WIOA and TANF to implement CCMEP for youth 14-24-years-old.

Correction: The original hourly wage listed in this section was \$12.00, which was incorrect. Bidder responses should reflect this *correct* wage of **\$16.00**.
